QUAIL FOREVER

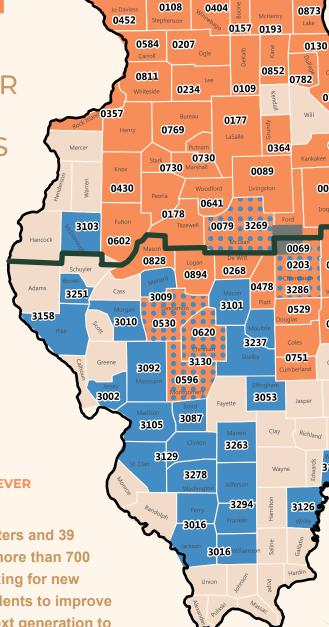

PHEASANTS FOREVER

PHEASANTS FOREVER & QUAIL FOREVER

Illinois is home to 23 Quail Forever Chapters and 39
Pheasants Forever Chapters. There are more than 700
chapters across the country that are looking for new
volunteers to contribute their time and talents to improve
local wildlife habitat and introduce the next generation to
upland habitat and hunting. Whether you can help one day
a year or volunteer a few hours each month, there's a
place for you.

You are integral in our fight to protect wildlife and preserve the hunting heritage—help us continue on our path toward a future of habitat on the ground, birds in the sky, and youth in the fields.
